### **DIRECTORS' REPORT FOR THE YEAR ENDED 31 MARCH 2020**

The directors present their annual report and the audited financial statements for the year ended 31 March 2020.

#### **Activities and results**

The Mencap Trust Company Limited (MTC) was formed in 1975 by Royal Mencap Society (RMS) and is a wholly owned subsidiary of RMS.

MTC was set up to provide a trustee who would always be there for their loved one. In particular, to help parents, families and friends to set up a trust where there was no one to undertake this role or it was difficult for siblings, or others, to take on the burden of being a trustee and the liability such as investment responsibilities that this entails.

MTC is a professional trust company with its own independent board of directors. Board independence ensures that decisions are taken in the interests of beneficiaries and without regard to whether or not RMS may be named as a residuary beneficiary.

MTC acts as sole trustee of trust funds held for people with a learning disability, autism and other vulnerabilities. MTC is operated as a not for profit organisation; it generated a deficit of £4,589 in 2019-2020 (2018-2019 surplus of £11,032). This deficit was primarily due to increased costs including management fees payable to the parent undertakings as well as Covid-19. The deficit in 2019-2020 will be covered by retained surpluses from prior years. Over the coming years, we aim to rebuild reserves, to be invested in the company's operations. This will allow us to continue to provide an excellent and consistent service, while at the same time expanding our outreach to as many people who would benefit from our service as possible.

MTC differentiates itself from standard trust companies, or trust service providers, in that it:

- builds and maintains relationships with all beneficiaries whilst their trust fund is active (a key means is via personal visits to discuss planned use of funds);
- provides a person-centred investment approach by using alternative portfolio models that take account of both the scale of individual funds and personal circumstances (which may vary over time); and
- can draw on its knowledge base, which comes from several decades of providing a trust service to people with a vulnerability, as well as the expertise of our MTC volunteer board members and RMS staff and resources.

While providing its trust service, MTC will:

- ensure that the assets within each trust are used to enhance the quality of life of the primary beneficiary of that trust;
- operate with integrity and be financially sound; and
- administer the trust and investments efficiently and prudently.

MTC provides its service through either a standard discretionary trust deed, or a discretionary disabled persons trust deed, made between the settlor of the funds and MTC. Each deed has its own named primary beneficiary and instructions with what to do with any residual funds left on the principal death of the primary beneficiary i.e. the person with a vulnerability.

Each trust deed is usually accompanied by a letter of wishes from the settlor. The settlor can update the letter at any time and at no extra charge.

MTC does not provide a personal care service. However, it works closely with the people who support the person with a learning disability or autism. MTC informs care staff that there is a trust fund available and asks them to contact MTC if

they think money from trust funds could improve the life of the person they support for. MTC also undertakes review visits so that the trust can be discussed directly with the beneficiary, key supporters and family, where appropriate.

The frequency of the review visit depends on personal circumstances such as the value of the trust fund and other considerations. Beneficiaries are visited in their own homes. Review visits are informal but structured. A review report is produced for each visit and is used by MTC to support its decisions as trustee. Visits are also scheduled when there is a significant change in a beneficiary's life.

#### **Risks and uncertainties**

The Mencap Trust Company Limited's principal risk is that it fails to manage each trust under the terms of its trust deed and in accordance with trust law. This is mitigated by following standard processes for receiving requests and making discretionary distributions. These processes apply to both the standard discretionary trust and the discretionary disabled persons trust.

Management of each trust is also achieved through delegation of certain specific trusteeship tasks to our expert professional partners: Investec, Deloitte and Golden Lane Housing.

MTC uses the following third-party professionals and specialists for specific services:

- Investec Wealth & Investment as investment advisors to all trust funds via a portfolio model (three core models at present) that best suits individual circumstances. However, sometimes, as in the case of large or complex trust, tailored investment funds are activated.
- Deloitte PCS Ltd in the capacity of tax advisors to ensure individual trusts are fully tax-compliant and all statutory returns are made.
- Golden Lane Housing Ltd acts as property manager and maintains physical trust property gifted to the trust.

As at 31 March 2020, MTC was actively managing 270 (2019 - 252) individual trusts with a financial value of £23.2 million (2019 - £24.2 million). During the 2019-2020 financial year, MTC arranged 157 (2019 - 148) individual review visits and processed 958 (2019 - 894) discretionary payment requests from beneficiaries.

#### **Future activities**

The directors intend to continue to grow and develop the present activities of the company. However, as with most operations in the UK, 2020/21 income and activities will be impacted by Covid-19, due to financial market fluctuations and because of the inability to undertake face to face visits with beneficiaries during the lock-down. Where possible, other means of keeping in contact are explored and a prudent approach to expenditure is taken by the directors until the situation reverts to normal.

### **DIRECTORS' REPORT FOR THE YEAR ENDED 31 MARCH 2020**

#### **Statement of Directors' Responsibilities**

The directors are responsible for preparing the Directors' report and the audited financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare audited financial statements for each financial year. Under that law the directors have elected to prepare the audited financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the audited financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these audited financial statements, the directors are required to:

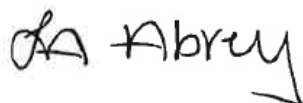

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the audited financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The following statements have been affirmed by each of the directors of the company:

- so far as each director is aware, there is no relevant audit information (that is, information needed by the company's auditors in connection with preparing their report) of which the company's auditors are unaware; and each director has taken all the steps that he ought to have taken as a director in order to make himself aware of any relevant audit information and to establish that the company's auditors are aware of that information.

This report was approved by the Board of Directors and signed on its behalf.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 March 2020 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006.

#### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Conclusions relating to going concern**

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

#### **Other information**

The directors are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

### **INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF MENCAP TRUST COMPANY LIMITED**

#### **Opinion on other matter prescribed by the Companies Act 2006**

In our opinion based on the work undertaken in the course of our audit

- the information given in the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report has been prepared in accordance with applicable legal requirements.

#### **Matters on which we are required to report by exception**

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept by the company, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies exemption in preparing the directors report and from the requirement to prepare a strategic report.

#### **Responsibilities of directors**

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

#### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.
