MENCAP TRUST COMPANY LIMITED
(A company limited by guarantee)

DIRECTORS' REPORT
FOR THE YEAR ENDED 31 MARCH 2021

The directors present their annual report and the audited financial statements for the year ended 31 March 2021.

Activities and results

The Mencap Trust Company Limited (MTC) was formed in 1975 by Royal Mencap Society (RMS) and is a wholly owned subsidiary of RMS.

MTC was set up to provide a trustee who would always be there for loved ones. In particular, to help parents, families and friends to set up a trust where there was no one to undertake this role or it was difficult for siblings, or others, to take on the burden of being a trustee and the liability such as investment responsibilities that this entails.

MTC is a professional trust company with its own independent board of directors. Board independence ensures that decisions are taken in the interests of beneficiaries and without regard to whether or not RMS may be named as a residuary beneficiary.

MTC acts as sole trustee of trust funds held for people with a learning disability, autism and other vulnerabilities. MTC is operated as a not-for-profit organisation; it generated a surplus of £39,374 in 2020-2021 (2019-2020 deficit of £4,589). With Covid-19, activity and so both income and costs declined. The welfare visits programme so central to MTC's activity had to be replaced by virtual meetings. The suspension of in person promotional activity and the overall impact of the pandemic led to a fall in interest in new trusts and trust creation. This surplus was primarily due to cautious financial and business management due to Covid-19 together with some recovery in activity later in the year. The cautious business approach was at the cost of activities intended to generate future investment, with the year's focus being on an excellent service to existing service users at such a difficult time. Over the coming years, we aim to build reserves to invest in both an excellent and consistent service and the expansion of outreach to as many people who would benefit from our service as possible.

MTC differentiates itself from standard trust companies, or trust service providers, in that it:

- builds and maintains relationships with all beneficiaries whilst their trust fund is active (a key means is via personal visits to discuss planned use of funds);
- provides a person-centred investment approach by using alternative portfolio models that take account of both the scale of individual funds and personal circumstances (which may vary over time); and
- can draw on its knowledge base, which comes from several decades of providing a trust service to people with a vulnerability, as well as the expertise of our MTC volunteer board members and RMS staff and resources.

While providing its trust service, MTC will:

- ensure that the assets within each trust are used to enhance the quality of life of the primary beneficiary of that trust;
- operate with integrity and be financially sound; and
- administer the trust and investments efficiently and prudently.

MENCAP TRUST COMPANY LIMITED
(A company limited by guarantee)

DIRECTORS' REPORT

FOR THE YEAR ENDED 31 MARCH 2021

MTC provides its service through either a standard discretionary trust deed, or a discretionary disabled persons trust deed, made between the settlor of the funds and MTC. Each deed has its own named primary beneficiary and instructions with what to do with any residual funds left on the death of the primary beneficiary i.e. the person with a vulnerability.

Each trust deed is usually accompanied by a letter of wishes from the settlor. The settlor can update the letter at any time and at no extra charge.

MTC does not provide a personal care service. However, it works closely with the people who support the person with a learning disability or autism. MTC informs care staff that there is a trust fund available and asks them to contact MTC if they think money from trust funds could improve the life of the person they provide support for. MTC also undertakes review visits so that the trust can be discussed directly with the beneficiary, key supporters and family, where appropriate. Although the Covid pandemic has limited visits, on-line review meetings have been an effective temporary substitute.

The frequency of the review visits depends on personal circumstances such as the value of the trust fund and other considerations. Beneficiaries are visited in their own homes. Review visits are informal but structured. A review report is produced for each visit and is used by MTC to support its decisions as trustee. Visits are also scheduled when there is a significant change in a beneficiary's life.

Risks and uncertainties

The Mencap Trust Company Limited's principal risk is that it fails to manage each trust under the terms of its trust deed and in accordance with trust law. This is mitigated by following standard processes for receiving requests and making discretionary distributions. These processes apply to both the standard discretionary trust and the discretionary disabled persons trust.

Management of each trust is also achieved through delegation of certain specific trusteeship tasks to our expert professional partners: Investec, Deloitte and Golden Lane Housing.

MTC uses the following third-party professionals and specialists for specific services:

- Investec Wealth & Investment as investment advisors to all trust funds via a portfolio model (three core models at present) that best suits individual circumstances. However, sometimes, as in the case of large or complex trust, tailored investment funds are activated.
- Deloitte PCS Ltd in the capacity of tax advisors to ensure individual trusts are fully tax-compliant and all statutory returns are made.
- For some properties in trust, Golden Lane Housing Ltd acts as property manager and maintains physical trust property gifted to the trust.

As at 31 March 2021, MTC was actively managing 284 (2020 - 271) individual trusts with a financial value of £29.9 million (2020 - £23.2 million). During the 2020-2021 financial year, MTC arranged 113 (2020 - 157) individual review visits and processed 354 (2020 - 958) discretionary payment requests from beneficiaries.

For more information about MTC, visit <https://www.mencaptrust.org.uk>

DIRECTORS' REPORT
FOR THE YEAR ENDED 31 MARCH 2021

Future activities

The directors intend to continue to grow and develop the present activities of the company. As with most operations in the UK, 2021/22 income and activities may continue to be impacted by Covid-19, with some financial market uncertainties which could lead to wider than normal possible outcomes for market growth. Face to face visits with beneficiaries, impossible during lockdown, should resume but much has been learned about other means of keeping in contact that will most likely lead to a stronger hybrid model to build more extensive engagement and support for the MTC community. The directors wish to build better engagement with all stakeholders. A prudent approach to expenditure will continue with current uncertainties, but with clear priorities to invest in MTC's people, in better technology and improved communication to improve services as the situation becomes more stable.

Directors and their interests

The directors of the company, which acts as trustee for the settlements the company administers, serve the company in an honorary capacity. The following served as directors during the year and to the date of signing this report except where otherwise stated:

J Abrey (interim chair)

Julia is a partner of Withers LLP in the private client and tax team, focusing on elder law. She was past chair of STEP's multi-jurisdictional Mental Capacity special interest group and a regular lecturer on elder law topics. She also wrote *'joining the board of Mencap Trust Company is an exciting opportunity for me as it combines two of my major interests and skill sets- advising clients on issues of mental capacity, principally in a financial context, and the administration of trusts through a trust corporation as trustee. I have significant experience in both areas which I hope I can bring to the board to support the Trust co as it goes through a period of change and development.'*

C Cryne (retired 28th August 2020)

Christine Cryne gained her knowledge and understanding of learning disability and other disability through her work with Brainwave, Muscular Dystrophy Campaign and Dimensions. Christine has recently retired as chair of Dimension's Quality and Practice Committee and is expert in evaluating and championing person-centred services.

D Smith

David joined the Board in January 2020. He retired in December 2018 after working for over 30 years for the Railways. David is a poet and a member of a local dramatic society and he participates on Mencap Radio. David has Asperger's and is passionate about making a difference to the lives of people with a learning disability, having their best interests at heart.

MENCAP TRUST COMPANY LIMITED
(A company limited by guarantee)

DIRECTORS' REPORT
FOR THE YEAR ENDED 31 MARCH 2021

L James-Jenkinson (retired 14th August 2020)

Lynn works for Jay-Jay Associates and has held substantial contracts to act as Director North West Training & Development Team and CEX of Pathways Associates CIC since 2005. Both organisations work at the interface between disabled people, families and support services to support and encourage continued development that puts people at the centre of all planning. Lynn is a qualified Social Worker and has management qualifications. Lynn has six children one of whom has a learning disability.

H Munro (retired 8th January 2021)

Heike is a corporate finance expert, and her skills include review and improvement of business and investment plans as well as corporate governance. Heike retired from her post as a partner with global leading consultancy firm AlixPartners in 2016. Since 2017, she has taken on a new challenge of renewed study, completing an arts degree and pursuing science studies. Heike's personal experiences with friends and family make her passionate about helping to improve the situation for people with learning disabilities.

M Pearce

Mark heads up the charity investment team at a leading UK wealth management firm and brings 20 years of industry experience to the Board. He manages funds for a wide range of UK based charities and not-for-profit organisations and has a sound understanding of the current financial environment.

J Spiteri

Jean is a qualified nurse and specialised in palliative care. Jean has volunteered for her local Gateway for more than 14 years. She is co-chair of North Lincolnshire Learning Disability Partnership, a role she shares with 2 co-chairs, both adults with a learning disability. Jean is passionate about supporting people to campaign and speak for themselves. Jean has a daughter with a learning disability.

Statement of Directors' Responsibilities

The directors are responsible for preparing the Directors' report and the audited financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare audited financial statements for each financial year. Under that law the directors have elected to prepare the audited financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the audited financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these audited financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the audited financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

MENCAP TRUST COMPANY LIMITED
(A company limited by guarantee)

DIRECTORS' REPORT
FOR THE YEAR ENDED 31 MARCH 2021

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The following statements have been affirmed by each of the directors of the company:

- so far as each director is aware, there is no relevant audit information (that is, information needed by the company's auditors in connection with preparing their report) of which the company's auditors are unaware; and each director has taken all the steps that they ought to have taken as a director in order to make himself aware of any relevant audit information and to establish that the company's auditors are aware of that information.

This report was approved by the Board of Directors and signed on its behalf.

A handwritten signature in black ink that reads "JA Abrey". The signature is written in a cursive style with a large initial "JA" and a long horizontal stroke extending to the right.

MENCAP TRUST COMPANY LIMITED
(A company limited by guarantee)

Independent Auditor's Report to the Members of Mencap Trust Company Limited

Opinion

We have audited the financial statements of Mencap Trust Company Limited for the year ended 31 March 2021 which comprise the profit and loss account, the balance sheet and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 March 2021 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the director's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

Other information

The directors are responsible for the other information contained within the annual report. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

MENCAP TRUST COMPANY LIMITED
(A company limited by guarantee)

We have nothing to report in this regard.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion based on the work undertaken in the course of our audit

- the information given in the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept by the company, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies exemption in preparing the directors report and from the requirement to prepare a strategic report.

Responsibilities of directors

As explained more fully in the directors' responsibilities statement set out on page 7, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including

MENCAP TRUST COMPANY LIMITED
(A company limited by guarantee)

fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

We obtained an understanding of the legal and regulatory frameworks within which the company operates, focusing on those laws and regulations that have a direct effect on the determination of material amounts and disclosures in the financial statements. The laws and regulations we considered in this context were the Companies Act 2006 and Taxation legislation.

We identified the greatest risk of material impact on the financial statements from irregularities, including fraud, to be within the timing of recognition of income and the override of controls by management. Our audit procedures to respond to these risks included enquiries of management about their own identification and assessment of the risks of irregularities, sample testing on the posting of journals, reviewing accounting estimates for biases and reading minutes of meetings of those charged with governance.

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards. We are not responsible for preventing non-compliance and cannot be expected to detect non-compliance with all laws and regulations.

These inherent limitations are particularly significant in the case of misstatement resulting from fraud as this may involve sophisticated schemes designed to avoid detection, including deliberate failure to record transactions, collusion or the provision of intentional misrepresentations.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

The notes on pages 14-17 form part of these financial statements.

MENCAP TRUST COMPANY LIMITED
(A company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2021

1. STATUTORY INFORMATION

Mencap Trust Company Limited is a private company limited by guarantee, has no share capital and is registered in England and Wales (registration number 01233201). The registered office is 123 Golden Lane, London EC1Y 0RT.

The liability of the members in the event of a winding up is limited to £5.

each. Royal Mencap Society is the sole member.

2. ACCOUNTING POLICIES

The financial statements are prepared in accordance with the Financial Reporting Standard for Small Entities effective April 2008 and the provisions of FRS 102 Section 1A - small entities. There were no material departures from that standard.

The principal accounting policies adopted in the preparation of the financial statements are set out below, have remained unchanged from the previous year/period and have been consistently applied within the same accounts.

The financial statements are prepared under the historical cost convention in £ sterling.

Turnover

All income is recognised in the profit and loss account when the conditions for the receipt have been met and there is reasonable assurance of receipt.

Fixed Assets

Tangible assets costing more than £2,000 have been capitalised. Depreciation is provided so as to write off the cost of assets in equal instalments over their estimated useful life. The depreciation rates used for assets are as follows:

Fixtures, fittings and equipment 10% - 33% per annum

Depreciation commences once the asset has been brought into operation. Prior to the point the assets are brought into operation, the costs are captured and reported as work in progress.

Going Concern

The financial statements have been prepared on a going concern basis as the company considers that it has adequate resources to continue in operational existence for the foreseeable future.

Debtors and Creditors

Short term debtors are measured at transaction price less any impairment. Short term creditors are measured at transaction price.

MENCAP TRUST COMPANY LIMITED
(A company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2021

3. TURNOVER

	2021	2020
	£	£

9. ULTIMATE PARENT COMPANY AND CONTROLLING PARTY

In the opinion of the directors the ultimate parent company and controlling party of the company is The Royal Mencap Society, a company registered in England and Wales. The Royal Mencap Society heads the smallest and largest groups for which consolidated accounts are prepared. Copies of the group financial statements of The Royal Mencap Society may be obtained from Mencap, 123 Golden Lane, London EC1Y 0RT.

10. CONTINGENT FUNDING FACILITY

The Board of Royal Mencap Society approved a £100,000 contingent funding facility to Mencap Trust Company Ltd in 2012. This funding is available at the request of the directors of MTC Ltd and is there to underpin the financial stability of the Company if they ever deem its use necessary.
